  3. Instructional material used as part of the educational curriculum.

These rights transfer to from the parents/guardians to a student who is 18 years old or an emancipated minor under State law.

Lexington School for the Deaf has developed policies, in consultation with parents/guardians, regarding these rights, as well as arrangements to protect student
privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. Lexington School for the Deaf will directly notify parents/guardians of these policies at least annually at the start of each school year and after any substantive changes. Lexington School for the Deaf will also directly notify, such as through U.S. Mail or email, parents/guardians of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent/guardian to opt his or her child out of participation of the specific activity or survey. Lexington School for the Deaf will make this notification to parents/guardians at the beginning of the school year if the school has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents/guardians will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents/guardians will also provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales or other distribution.
